The background of the entire page is a soft-focus photograph of a person's hands. One hand is holding a clear glass bottle of nail polish, and the other hand is positioned near it, with a drop of liquid visible. The hands are wearing a light-colored, textured sweater. The overall tone is clean and professional.

FIRST PRODUCTS

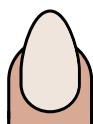

Products created as the first step to the perfect manicure. These products are essential as they are key in acting as a color magnet while performing as a primer.
